

Youth Project Africa is looking for Volunteers!

Your duties will include:

- Work actively on existing projects
- Expand existing projects
- Look for opportunities for new projects

About Youth Project Africa

Youth Project Africa (YPA) is a registered non-profit organization that focuses on promoting education and community development for the poor and underprivileged in Cameroon and Africa as a whole. We aim to achieve this through providing scholarships, providing vocational training and opportunities, and building a YPA Alumni network.

What can we offer you?

When you are a volunteer of YPA, you will have the opportunity to develop yourself inside a fast-growing non-profit organization. You will have active contact with the management and the opportunity to expand your skills in (among others) leadership and project management. Next to this we offer a compensation for for example travel costs, you will have access to a wide variety of online courses on an academic level in different fields, and you have the chance to become part of our Alumni-network.

Do you want to help providing education to thousands of children?

Please send us an email to volunteer@youthprojectafrica.org with your CV and a short motivation or send us a message on our Facebook.

Make sure to check out our website youthprojectafrica.org!
